Johnny Osborne - United Cattle Breeding Services, Allora, Qld Ph: 0488 292 707 or

Graham Blanch - Charnelle Charolais Ph: 0427 622 410 email: [charnellecharolais@bigpond.com](mailto:charnellecharolais@bigpond.com)

## Welcome

We take this opportunity to welcome you to the 12<sup>th</sup> Annual Charnelle Invitation Charolais Female & Genetics sale. This year we have put together another exciting catalogue of 76 females, 1 bull, 2 Flushes, 58 embryos & 411 straws of semen.

- This year's catalogue has a female for every operation. We feel sure you will be impressed with the quality of females and genetics on offer.
- Elder's Blackjack is represented again by five daughters in this sale...three of which are Homozygous Polled. Blackjack in 2020 was crowned Charolais Bull Champion of the World and is really proving to be the benchmark for performance & carcase traits and now proving to sire exceptional breeding females as well.
- This year again we feature an imported embryo heifer from New Zealand with Calmview Charolais offering a Silverstream Evolution daughter as lot 44.
- Two of the very first Panama daughters are sure to create some interest. These come in as lots 28 & 48.
- There are 11 DNA tested homozygous polled females in the catalogue which have been clearly marked.
- A number of the females are halter broken and are definite show prospects. There will be a show with about 15 females presale at about 10:00 AM.
- The embryo and semen lots on offer this year would have to be the best ever offered at our sale. Some new sires represented this year include Pro-Char Diamondback, Johnny & Silverstream Padra. A couple of embryo lots by Mac 2244 also feature this year.
- As the saying goes .... "The good ones are never dear".

The sale will be interfaced on Elite Auctions. (Please familiarize yourself with Elite Auctions some time before the sale date)

Short term agistment is available to coordinate with other sales.

Transport to most places will be available.

A canteen will be operating on sale day.

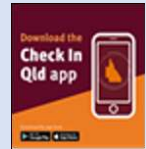

### COVID requirements

All persons attending the Charnelle Charolais Invitational Female & Genetics Sale are required to adhere to all current government restrictions, requirements and guidelines relating to COVID-19, including social distancing expectations. QR codes will be in place to log into on Sale Day.

On behalf of the vendors and selling agents we invite, and again welcome you, to our sale and look forward to seeing you on Saturday 5<sup>th</sup> March 2022. We wish you all the best with your purchases.

Warm Regards,  
Graham Blanch.

PS. Please bring your catalogue to the sale.

The vendors agree to a 3% rebate to any outside agents who attend the sale with, or buy on behalf of, their clients and settle within 7 days. 1% rebate to any outside agents introducing approved buyers to the vendors prior to the sale and settling on their behalf within 7 days of the sale.

# HOW TO REGISTER with ELITE LIVESTOCK AUCTIONS

Simply go to [www.elitelivestockauctions.com.au](http://www.elitelivestockauctions.com.au) using your desktop, laptop, iPad, iPhone or android device.

Click on the **"Sign Up"** page / link

Create a bidding profile using the bidder registration page.  
*(You can either register as a livestock agent, company or private buyer)*

Agree to the Elite Livestock Auctions Terms & Conditions and the Selling Agents Sale Terms & Conditions as printed in the official Sale Catalogue

Click **"Register"**

You will then be notified by email that an account has been created.

Once an account has been created you are all **"Set to Bid"**

Each Auction can then be viewed by clicking **"Live Auction"** logo on the Elite Livestock Auctions website.

Once you receive email notification that your account has been created please go to the sale you wish to bid at and click **"Request to Bid"**

The sale will then approve your application to bid and on the sale catalogue you will see **"✓ Bid Request Approved"**

On Sale day simply login, click **"Enter Auction"** on the catalogue page and you can start bidding.  
*(There is no need for software download)*

At the completion of the auction, invoicing will be carried out as per your registration details by the Selling Agents.

Having trouble registering and logging in?  
**Contact Elite Livestock Auctions**

# Charnelle Charolais

Proven Cow Families and Top Class Sires

*Celebrating 30 Years of Charnelle Charolais!*

**Half Share arrangement for Heifers Purchased at our 12<sup>th</sup> Annual Charnelle Charolais Invitational Female & Genetics Sale Re: Lots 3 & 4**

**This agreement is for a period of two years after which time either party has the opportunity to buy the other party's half share at an agreed price or the female will be put through our sale to dissolve the partnership**

## INSURANCE

Each heifer will be insured for double the purchase price at the fall of the hammer, and the cost to be met 50/50 between Charnelle Charolais and the Purchaser.

## AGISTMENT & MAINTENANCE

Charnelle will provide at their cost all vaccinations/ treatments. Agistment will be provided free of charge including special nutrition at time of flushing.

## NATURAL CALVES

The natural calf will be distributed to each party as alternate calves. Purchaser has the right to receive the first calf. The calf to be taken at weaning.

## FLUSHING

The plan is to flush each female once after each natural calf (two Flushes) and distribute embryos to each party 50/50. The flushing will be done by Peter Atkinson and his team from THE REPRO GROUP PTY LTD. Any program costs including drugs, setup, scanning, flushing and freezing will be met equally between Charnelle Charolais & the Purchaser. Charnelle Charolais guarantees each flush to produce at least six embryos that are able to be frozen. This entitles the purchaser to the first three if the number is below six. In the event that no embryos are produced, the purchaser can choose to do a re flush or choose three embryos from the entire Charnelle Charolais embryo inventory. All program needing to be done on property by Charnelle Charolais at their cost.

**SEMEN FOR FLUSHING:** Each party will have the choice of sire for one flush. If the semen selected is from our entire imported sire inventory, it will be supplied at no cost to the purchaser. If the purchaser selects a semen sire of their choice that is not in the Charnelle inventory, it will be at their cost.

**Charnelle Charolais will consult with the purchaser on all breeding decisions.**

## SHOWING

As both heifers are broken-in, the Purchaser may like them shown. This can be arranged by mutual agreement.

Signed G. K. Blanch Graham Blanch

**Comments:** We begin our special 30<sup>th</sup> Anniversary Female Sale with a pretty special cow. Elegance by name, elegance by nature and elegant to look at. She has had four exceptional natural progeny with her last two sons selling for \$12,000 each at just 17 & 18 months. A prolific Donor cow that has produced 53 A Grade embryos in 5 flushes. She is by the homozygous polled sire JWX Silver Bullet that we selected from Canada in 2010 and is still breeding very well for us. Estella & Elegance, two wonderful Palgrove cow families feature in her pedigree with Mac 2244 in there as well. She is PTIC to Elder's Blackjack, AI date 28/11/2021. Due to calve 10/09/2022. **We are selling her as a five in one package, with an embryo from each Elder's Blackjack, Silverstream Landis & Silverstream Manhattan going with this lot.** Elegance 8 J38E tested negative to John's in 2021.

**PALGROVE DREAM GIRL 13 (PK W374F)**

**Comments:** A picture tells a thousand words and so it is with Angel 6; a near perfect blend of French and North American genetics. Beautiful length, terrific top line and bone, and that picture perfect udder. We saw her Sire **Gallway** (see inside front cover), in France in 2013. He was a young 16-month-old bull then running with heifers. We were so impressed with his structural correctness and his maternal strengths that we decided to bring him into Australia. He has not let us down, producing females like Angel 6 N61E & Black Duck Queen Street (Junior Champion Sydney 2021) and bulls like Louis (sold to Glenlea \$20,000) & Manager (\$9,500).

This is a special female that you could build a herd around. One for the front paddock and one that we could only offer at a Special 30th Anniversary Sale!

Angel 6 sells with a lovely red factor heifer calf, C. Angel 9 GKA S42E born 15/11/2021, at foot by our herd sire Glenlea Quartermaster, and is re-joined to the same bull. Details sale day. Tested negative to Johne's in 2021.

**Comments:** "As soft as Butter and as Sweet as Candy", and as you can see, she has all the figures where it counts. Very high growth, yet low birthweight (Her actual birthweight was 44 kgs.) Top of the range fat yet really good EMA and great fertility and milk figures. She is a smaller to medium frame heifer, the type that we would join our Polled Full French bulls to. She has a beautiful temperament and was broken in and shown by the Students at West Moreton Anglican College. Her dam Emma E50E was imported from the USA as an embryo and is now the most valued cow in our herd. Another R daughter of E50E by Pinay has been retained in our herd. Emma 5 R10E is PTIC to Silverstream Padra P7. AI date 10/12/2022. Due to calve 22/09/2022. If you are looking for a "kilograms per acre female" then you can't go past this very efficient heifer.

 CHARNELLE SHELLEY 3 (GKA U90F)  
 TREVLAC OPALE (WF7 D72F)

**Comments:** It is very hard for us to say “She is the very best we have ever bred”, but if she isn’t, she is very close to it. Her Great-Granddam Trevlac Opale D72F (Full French by Carabinier) was one of our foundation females and was the beginning of our Shelley cow family. Shelley 32 combines some of the very best of the old Full French genetics like Vibrant, Impeccable, Cadet Roussel and Carabinier with the New Polled French boy Johnny. Johnny is an exciting new sire with growth, style, good structure, softness and that all important calving ease. His very first son to sell was our highest ever priced bull to sell when Charnelle Quartermaster Q44E (see inside front cover) sold to Bettafield Charolais for \$26,000.

Shelley 32 has a wonderful balance of length & volume, bone & not too much frame, softness & muscle, all while being feminine. This heifer has been broken in and shown by the Students from West Moreton Anglican College and scored a Supreme European Exhibit at one of her showings. Shelley 32 is a very east keeping heifer and has had no supplementary feeding since September. She is PTIC to Silverstream Padra with her AI date 22/12/2021. She should be due on 04/10/2022.

 MOUNTVIEW LEE 3 (IJB C33E) (P)

**Comments:** Red Factor, Polled, and very maternal, Lee is a very stylish cow. Easy doing smooth coated and has demonstrated just what she is capable of producing with an awesome Red Factor, Polled Heifer calf at foot born 20/11/2021, sired by Rangan Doc Silver RANM51E. Running with stud sire Mountview Ramsay (P) IJBR3E (small photo) from 25/11/2021. Pregnancy status to be advised.

**Comments:** **Homozygous Polled** Heifer with a beautiful wedge shape. Positive EBV's ranking above breed average, she is ranked in the top 5% for milk and the top 15% for calving ease, 200-, 400- and 600-day growth. She has been running with Mountview Ramsay (P) IJBR3E (small photo) from the 6/11/2021; pregnancy status to be advised. Mountview Ramsay is an outstanding young soft bull, sired VPI Free Lunch. We are currently using Ramsay on heifers for his positive calving figures. Festoon's full sister is being retained in the stud. Pregnancy status to be advised. # CHEYENNE IVORY MOON (AI) (P) (R/F)

Vendor: CHEYENNE CHAROLAIS ENTERPRISES    Tattoo: CCQ Q8E    DOB:

J-BAS 7

**Comments:** What a shame this isn't a beauty pageant, this stunning double polled young Dam would be an asset to any donor program. This Palgrove Hallmark special has a clean, soft coat with no broken colour. She possesses a beautiful nature and take note of her very low birth weight with a minus 8 gestation length. Lot 26 is her ½ sister. Her whole breeding future is ahead of her. She has a polled (R/F) heifer calf at foot born on the 19/12/2021 by Charnelle Panama (P), CCQ S12E. Q8E tested negative to Johne's disease in 2021. Joining details will be available on sale day.

Vendor: CHEYENNE CHAROLAIS ENTERPRISES    Tattoo: CCQ N1E    DOB: 18/03/2017

J-BAS 7

**Comments:** A rare Riverview Angel (small photo) special, her only polled/red factor heifer. A real sweetheart here; she has a lovely nature and is very easy to work. Her breed plan shows all above average figures. She is a very fertile cow producing 3 heifers in 3 years. Her most recent heifer has been retained in the herd to take her place. Her 2<sup>nd</sup> heifer calf is offered as lot 22 in this sale (CCQ – R5E). Both lots have Riverview Angel's F/F length and depth. She was AI'ed to Gunnadoo Red Baron (proven genetics) on the 21/11/2021 and is PTIC. N1E tested negative to Johne's disease in 2021.

**Comments:** See her Dam as the previous lot.  
 As per her Dam, this young heifer has terrific length and her 200, 400 and 600 growth figures are all above average. She is beautifully polled with no broken colour. Evidence of her Dam and Great Dam show this young heifer will milk well with her 10 plus milk. Her sire breeding goes back to Pinay one of the best Charolais bulls of all time. This young heifer has her whole breeding future ahead of her. Served by Charnelle Rouseabout (P) R4E on the 02/01/2022 and is PTIC to him. Small photo Rosedale Globite, sire of lot 22.

**Comments:** Her breeding shows Pinay on one side and Galway on the other. She has a great future as a breeding female, oozing fertility like her Dam and Great Dam, who constantly have the heaviest calves at the 400-day mark. She is super quiet and very easy to work. This long, thick, wide heifer will be an asset to any herd. With the top line genetics she has, you won't be disappointed. She is in calf to Charnelle Rouseabout (P) GKA R4E (small photo). Joining date 06/01/2022 PTIC.

 PALGROVE BRONWIN 74 (PK Y292E)

**Comments:** The youngest heifer we have on offer but the one with the best growth figures per kg per day. Check out her growth traits, all well above average. Her heritage goes back to Pinay on her Sire side and Palgrove Bronwyn Family on the Dam's side plus F/F genetics of Suedois. This makes for an excellent pedigree. An early maturing female with length, softness, thickness and good bone. Simply top shelf. Small photo Cheyenne Pharaoh. Running with Charnelle Rouseabout (P) GKA R4E from 01/01/2022 details will be available on sale day.

**Comments:** Our very first Panama daughter to sell and she happens to be our "Cover Girl" this year. She is not just a pretty face but has wonderful structure and figures to match. Panama is proving to be a real good allrounder, with a low birthweight making him suitable for heifers as well as growth, milk, fertility and carcass traits. We have exported Panama semen to Ireland and South Africa, and by sale time hope to have some landed in Norway. Meanwhile Panama is doing an excellent job for Nigel Spink (Challambi Charolais) doing both stud and commercial duties. Natural calf out of one of our donors, this heifer will be an asset in the show ring or in the stud herd. AI'd to Milford Braxton on 29/12/2021 and then running with Charnelle Richie Rich (P/S) GKA R26E from 18.01.2022. Pregnancy details sale day.

**CHARNELLE KATRINA 7 (AI) (ET) (P)**

Vendor: G.K & K.A BLANCH Tattoo: GKA R23E DOB: 18/09/2020

**J-BAS 7  
Parent Verified**

**Comments:** This Blackjack daughter is bound for good things for her new owners. The flush that produced Katrina 7 has also produced another stunning heifer that we are retaining in our herd, and a bull for Jon & Gaye Weeks which is likely to be one of our top sellers this year. Her dam Katrina H65E (small photo) was our top selling female at this sale in 2019 selling to Ryan Holzwart. Blackjack semen has now sold out, so good daughters of his will be hard to come by. AI'ed to LT Authority on 13/12/2021 and then running with Charnelle Richie Rich GKA R26E from 24/12/2021. Halter broken.

# WARILLA ROO (P)

J-BAS 6

Vendor: JM & GA WEEKS    Tattoo: JGW R14E    DOB: 23/06/2020

**Comments:** An outstanding heifer, not to be missed! This heifer is well built with great thickness, mobility and depth of body. Roo is a beautiful wedge-shaped feminine heifer, that was being prepared for the 2021 Royal Melbourne Show. Roo is out of what we consider to be the most reliable cow in our herd, with terrific milk, which is also being displayed in her 'Q' drop half-sister (C. Louis), who is doing a great job of her first calf. 'S' drop full brother is also showing great qualities. Roo's sire, Warilla Neptune Mac is a homozygous polled son of WCR SIR FA MAC 2244, out of the great old donor, Palgrove Friesia 19 (35 registered progeny) who has produced many stud sires for multiple studs. Neptune placed third in a competitive class at the 2018 Royal Melbourne Show and is a full sister to a successful donor within our herd. Roo displays great maternal qualities and is PTIC to LT Thundering Wind (small photo), 11 weeks on the 05/01/2022.

 HARLEYWOOD CHLOE (WEA C9E)  
 BULLAGULL VICTORIA (MWS V1E)

**Comments:** Jenna 12<sup>th</sup> is another stylish female. Sired by LVH-Fairfield Lone Ranger out of a heavily French infused Harleywood Dam; only one of two original stud females left in our herd.

Jenna's full sister was purchased at last year's Charnelle sale as a foundation female to start the Tallimba Charolais Herd.

Jenna 12<sup>th</sup> is a smooth coated, feminine female with strong topline. She is structurally sound and walks on good legs and feet. Jenna 12<sup>th</sup> EBV's show top 6% for EMA, all growth traits well above average with positive carcass traits.

Jenna was AI'd to Paringa Kilo Packer TO1K33E on 23/12/2021, pregnancy details on sale day.

 PALGROVE MURDOCK R/F (PK M109E)  
 PALGROVE FESTOON 220 (PK D1042E)  
 PALGROVE FESTOON 80 (PK V207E)

**Comments:** Deep Red and PP polled, again right out of our elite heifer mob. Festoon is a twin, her sister sold for \$7000 as weaner. Her dam was from the leading Palgrove Festoon cow family and my pick of the Hunter View Stud when we purchased that herd in 2018. She will breed Polled, Red progeny that are in such demand. All growth and carcass EBV's well above breed average. Sire is the great breeding Glenlea Just Red (PP) R/F. R41 has great earning potential and Glenlea can help you achieve this with our marketing program. A.I. to Paringa Kilo Packer (PP) 23/21/21

**Comments:** Adwana is THE pick heifer from our 2021 Summer/Autumn drop, we have admired her since a few days old. She is the pin up girl of what we try and breed all our females like. I am sure everyone who sees her would love to take her home. Red and like all our females offered, PP polled. Sire is breeding outstanding high yielding progeny with medium frame, style and that x factor that makes a breeding bull. Dam is an outstanding "JUST RED" daughter. Entered for Sydney Royal successful buyer can exhibit her or PINEDOCK can. One of the best females we have offered in the last 12 months, and we have sold over 250, so that's a big call. Donor prospect!

 SILVERSTREAM CHANDLER V172 083040172F (PED Z172F)

**Comments:** Opportunity knocks - Royal is the first calf out of the Grand Champion female at the 2019 Royal Melbourne Show, (3rd in interbreed) winning at just 12 months of age. Like her dam, Royal possesses a great structure, natural thickness, and depth of body. Royal ultimately offers an outcross maternal pedigree as her dam Warilla Perfection (Silverstream Evolution x Silverstream Chandler D84) was a fully imported embryo from the renowned Silverstream herd in New Zealand. Perfection had great milk and udder shape as a first calving heifer. When Silverstream's principal, Brent Fisher was asked to comment on Royals grand-dam, Silverstream Chandler D84, Brent described her as "a great cow from one of the most prolific cow families. She combined the traditional charolais strengths of volume and thickness with excellent maternal traits.... wonderful udder and flawless in her structure."  
 Royal's sire, Warilla Neptune Mac is a homozygous polled son of WCR SIR FA MAC 2244, out of the great old donor, Palgrove Friesia 19 (35 registered progeny) who has produced many stud sires for multiple studs. This halter broken, show prospect heifer, offers buyers a unique pedigree combining the great Silverstream Evolution and WCR SIR FA MAC 2244. Heifer sells unjoined.

PALGROVE DIGNA 36 (PK N168E) (P)

**Comments:** Our second Panama heifer in this sale and she ticks all the boxes for femininity, softness & style! Check out her EBV graph where she combines low birthweight and growth, with very good carcass figures for EMA & fat. She is halter broken by Pinedock and has been DNA tested to be Homozygous Polled. Her dam Digna 141, who has a tidy udder and milks well, has just joined our Donor pen after a number of classy progeny. Digna 141 marks five generations of Donor Females. Palgrove Digna 36 PK N168E was a foundation female for us and as you can see we are nearing 200 female descendants in our herd alone. The Palgrove Digna cow family is one of the best in the breed. Sells unjoined.

Comments: Megan 5th is a stylish fine coated female. She is out of our heaviest cow. Her growth traits are all in the top 25% and carcass traits above breed average. Megan will grow into a big volume female with added softness. Perfect udder and teat placement to match her feet and temperament. She is unjoined and will mature into a great breeding female.

Comments: An Elite "Just Red" daughter out of one of Fernvale's renowned Chiffon cow family. Chiffon 30th is a Double Red Factor, showing darker coat colour, when joined to a white bull will produce apricot coloured progeny. Chiffon has a clean underline, medium frame and is an easy doing female, (PP) polled just oozing femininity. All growth EBV's well above average with rib fat, rump fat and IMF in the top 20%. Chiffon is a heifer's first calf and with her softness, along with great bone, good feet, good teat placement, docile temperament will be a great cow. Chiffon is unjoined and halter broken by Pinedock fitting.

**DAM: BELERVALE PENELOPE (BLV P3E) (P)**  
 CHARNELLE DIGNA 153 (GKA M10E) (P)

**Comments:** This heifer has a very promising future and was a very difficult decision to sell. She is the complete package built by a great mix of genetics, River Run, Charnelle and Grid Maker. She's a very powerful heifer that carries the perfect thickness all throughout her body and is complimented by her great length and depth. You must admire her ability to carry so much muscle, which is supported by excellent growth traits and EBV's but still oozes femininity and softness, carried on by the Charnelle Digna line. You can't go wrong with this heifer. Unjoined.

JAY TEES JUBILATION (JT J26E)

Comments: This heifer will be just 15 months old on sale day. Again, polled, quiet and led. Her Sire, Majestic, was polled FF and both him and her Dam were well grown and deep bodied. Obviously she is old enough to mate but Jay Tees finds an extra couple of months growth before calving benefits heifers.

**Comments:**

Here is a unique opportunity to invest in a flush from the highly decorated Estella H29 female. She was Grand Champion Charolais female at Sydney, Brisbane and and BEEF2015, going on to also win Interbreed Supreme at BEEF2015. Estella has been a great cow for us producing many outstanding progeny, which include Estella K50 who was Junior Champion Charolais at Sydney Royal in 2016 and also a stud sire selected by Mountview Charolais. Estella is open and ready to flush to the bull of your choice. She has been flushed several times with good success averaging 12 A grade embryos per flush. All costs to be paid by the purchaser and a minimum of 6 A grade eggs is guaranteed.

**DAM: CHARNELLE ELEGANCE 6 (GKA H45E)**

**CHARNELLE ELEGANCE 3 (GKA C34E)**

**Comments:** Warilla is proud to offer the opportunity to flush Charnelle Elegance 16, the highest priced female of the 2020 Charnelle Invitational Female Sale at \$14,000. Elegance 16 is everything we expected her to be, docile, feminine, well-structured, great milk, making her a brilliant all-round dam. Progeny by Ledger, Wyoming Wind and Panama are outstanding, and we cannot wait for her Blackjack calf to be born mid- March!

Elegance's dam, Charnelle Elegance 6 is considered by Graham Blanch to be his leading cow, also producing Charnelle President (Full ET brother to Elegance 16) who sold for \$20,000 in the 2020 Coolabunia Bull Sale and Charnelle Quasar who sold for \$15,000 in 2021. This further highlights the predictability and consistency of this maternal pedigree. Elegance's sire, CML Distinction needs no introduction, as he was the 2016 Agribition Champion and continues to breed practical cattle here in Australia.

Elegance has already made an impact in our herd, and we know she will continue to do so into the future. Elegance has been flushed on one occasion, which proved a success, giving 7 A Grade embryos. Elegance is due to calve down mid-March 2022, so will be ready to flush at the end of May 2022. The Purchaser is required to cover all associated costs, flushing & freezing. Warilla will guarantee a minimum of 6 embryos, with the purchaser receiving all freezable embryos, no maximum.

Purchaser / \$:

Sire: CML Distinction

Dam: Charnelle Elegance 6 GKA H45E

# Artificial Reproductive Technologies

*The fastest way for herd improvement*

After a recent conversation with a Veterinary colleague in Victoria who mentioned he had been flushing cows for 40 years, I realised with some surprise that we have been involved with cow Embryo Transfer (ET) for 22 years. For one to get a start in the cattle ET industry you need a client who gives you a chance to develop your skills and then continues to have the patience to wait while these skills develop.

For our business, this person was Graham Blanch.

The Blanch's became our first commercial ET client in 2000 and it has been a great privilege being a part of the growth of the Charnelle herd. From humble beginnings, the Blanches have gone to great lengths, importing semen and performing ET programs, enabling them to develop a quality herd and highly regarded annual sale.

For myself, it has been a wonderful journey - from sitting on a horse behind a mob of commercial cattle in NQ as Jackaroo 1988 to facilitating the exponential growth of exceptional genetics through the use of Artificial Reproductive Technologies, such as conventional embryo transfer and the in Vitro Production of embryos by 2022.

As an industry we have seen any number of dry times, enormous floods, a live export ban we did not deserve and a global pandemic that will continue to challenge us well into the future. For those of us who both rely upon and enjoy producing seed stock and beef, the future will continue to have its challenges. The ability to cohesively reassess and adapt our business's will be the cornerstone to our future success as an industry.

Peter Atkinson

 PALGROVE FRIESIA 19 (PK Y224E) (P)  
 PALGROVE FRIESIA 10 (PK T113E) (P)

Comments: Blackjack x Mac 2244 = plenty of growth, plenty of softness, plenty of everything you need and with a sensible birthweight. This Cow is a never miss type of cow, no matter which bull we mate her to because she has all the softness, growth and maternal bases covered.

Barry Bell of Bardoo Charolais WA already has a young bull from this mating that he believes could be good enough to retain as a Herdsire. Calves from this mating will be homozygous polled.

Price per embryo. A 50% guarantee is offered if implanted by an accredited technician within 18 months.

All Charnelles embryos are stored at PC Atkinson's Allora Qld

RANGAN PARK SHOWGIRL F42 (RAN F42E) (P)  
PALGROVE SHOW GIRL 6 (PK P82E) (P)

**Comments:** We are excited to offer embryos out of this new exciting, homozygous polled red factor bull, Pro-Char Diamondback. Diamondback displays great thickness and mobility, with his Canadian EPDs suggesting Diamondback is in the top 15% for Weaning Weight. Diamondback's Pro-Char Captain Morgan dam, displays great maternal traits! The dam of the embryos, Romsteck Showgirl H14, has recently joined our donor pen, after being purchased out of the Gates dispersal. H14 is a typical Showgirl, great milk, structure and maternal presence. H14's 'R' drop Rangan Doc Silver M51 son (GATR84E) is being retained in-herd for stud duties, as we are extremely impressed! Photos of R84 are welcome upon request. H14's dam, Rangan Showgirl F42, is a direct daughter of the great Palgrove Showgirl 6, by full french sire Gauguin. F42 was a show Champion herself, sashed Junior Champion Charolais Female at Canberra Royal Show.

**Embryos sell with a 50% guarantee when implanted by an approved embryo transfer technician and must be transplanted within 12 months of sale day.**

EXCLUSIF OAFJ858F  
CHARNELLE DIGNA 40 (GKA52E ) (P)  
PALGROVE DIGNA 36 (PK N168E)(P)

**Comments:** A new donor that has earned her place as a donor. A very fertile cow that has had six outstanding calves since her first in 2016. She actually had two calves last calendar year, with her last calf by Blackjack likely to be one of our lead bulls for 2023. She has a good temperament, good milk, length and that classic Digna head. Padra; the new boy from NZ... we are expecting good things from him, like power, milk and a lower birthweight. He is also Homozygous polled.

**Price per embryo. A 50% guarantee is offered if implanted by an accredited technician within 18 months.**

# Lot 104 ANC Q-PAC (P) ANC Q618F

VENDOR: RYAN & RACHEL HOLZWART

SEMEN: 30 STRAWS/ PRICE PER STRAW

Q Pac was purchased as the standout bull from the 2021 ANC sale for the top price of \$45,000. Q Pac is polled, Full French & without a doubt one of the most exciting up and coming sires to set foot at Bauhinia Park.

He is truly unique for his thick, deep body of beef, yet remains so soft and supple with a brilliant head carriage and ton of sire appeal. All of this combined with his cool, calm attitude, great mobility and near perfect raw data made him a 'must have'.

Q Pac is currently out working with 50 females and is maintaining his body condition beautifully for a first season bull. His first calves are due to hit the ground in August and we expect them to be all class!

**Note: This will be the only ANC Q-Pac semen to be offered at Auction.  
Semen is stored and will be dispatched from Rocky Repo Rockhampton

### Genetics Australia is proud to welcome the addition of Charnelle Panama to our team in 2022.

An exciting young sire who offers short GL, low BW, excellent growth EBV's combined with all carcase traits and indexes in the top 10% of the Charolais breed.

Panama is Homozygous Polled, a muscular sire, sound footed with lots of length. His data continues to impress with 33 registered progeny in 9 herds now added to his data set.

Panama exhibits excellent temperament which is evident in his progeny. Sired by Elder's Blackjack 788B who was named Champion Charolais Bull of the World in 2020, Panama is a sire who will deliver world class genetics to your program.

Panama Daughter: Charnelle Digna 184 (P)

Panama Daughter: Charnelle Festoon 16 (P) (R) (F)

## QUEENSLAND LIVESTOCK AGENTS ASSN LTD

### STANDARD STUD STOCK - AUCTION TERMS AND CONDITIONS OF SALE

### CONDITIONS

#### IMPORTANT NOTICE

All bids shall be treated as offers made upon

1. The highest bidder shall, subject to Conditions 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneer's absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis, whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the purchaser, the purchase price and the lot sold as recorded by the Sale Clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.
4. The auctioneer expressly reserves the right, without giving any reason therefore to:-
  - (a) Refuse to acknowledge any bid;
  - (b) Withdraw any lot or lots before or during the sale;
  - (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these conditions as made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:-
  - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions;
  - (ii) The vendor and the purchaser shall resolve the dispute between themselves;
  - (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
  - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidders' offer by the vendor and prior to delivery. Notwithstanding that delivery is given to a possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated and until property shall pass, the purchaser shall hold such lot as Bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:
  - (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
  - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which aggregates the AMBA Bill Rate and two per centum. For the purposes of this condition, the expression "The AMBA Bill Rate" is the rate published by the Australian Merchant Banker's Association in good faith as at the date of the sale as its Bill Rate for 180 day Bills of Exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the auctioneer shall determine and advise the purchaser for the interest rate to apply for the purpose of this condition.
9. (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
10. If the purchaser shall neglect or fail to comply with any of the within conditions any lot purchased by him may be immediately resold by Public Auction or Private Contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
11. Any vendor or purchaser removing the Sale Number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damages should the lot be wrongly delivered.
12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions and shall jointly and severally carry out and perform sale.
13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however that this condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf, for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.
15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.
16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trades Practices Act or any applicable State legislation which cannot be contractually these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby executed. The auctioneer is not liable in respect of any error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.
16. (b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to remain with the vendor.
17. In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser, and the auctioneer, while he shall use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions.
- 18 (a) Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, for the period that the lot be in the custody of the auctioneer, PROVIDED THAT the auctioneer, its servants, agents and employees shall use all reasonable care to protect and control the lot while it is in the auctioneer's custody AND PROVIDED THAT when a lot has been sold, it shall be at the risk of the purchaser in all respects.
- 18 (b) If any vendor brings to the premises any lot which is dangerous, or infected with any disease, that vendor shall be liable for all injury, damages, costs, losses or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right in its absolute discretion, to exclude from the sale venue or dispose of any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.
19. DELIVERY. Except at the discretion of the auctioneer, no lot shall be delivered to the purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the auctioneer, pursuant to Condition 14 hereof, is first made by the purchaser to the auctioneer. Release of lots may be withheld by the auctioneer until personal cheques are cleared.
20. In these Conditions:-

## **GLENLEA JUST RED (PP) R/F (GLE J5E)** HOMOZYGOUS POLLED. HOMOZYGOUS RED.

**Sire of lots 38 and 55 and Sire of Dam for Lot 39.**

Growth, extra fat cover, good overall muscling. A very potent breeding sire that sired the highest selling Charolais Female in Australia in 2021. Glenlea Isabella 14th (PP) R/F purchase by ASHDAN Charolais for \$26,500 at our Dawn of the Decade Female Sale in March 2021. Our highest selling bull in 2020 Glenlea Phoenix (PP) R/F at \$25,000 in our Clermont Bull Sale.

Photo at  
24 months  
1060kg.

## **GLENLEA PHOENIX (PP) R/F (GLE P41E)** HOMOZYGOUS POLLED and RED FACTOR.

We are about to wean his first drop of calves, all polled, 2/3 thirds are Red Factor and all are good types. There is not a single cull in his first drop of calves, all his bull progeny will be grown out for our 2023 sales. Progeny are more moderate in BW than we expected from such a high growth bull, and extra fat cover, fine coated, big testicle development and great temperament. **Semen available direct from Glenlea or United Cattle Breeders at Allora QLD.**

Photo at  
16 months  
720kg.

## **GLENLEA QUARTERBACK (PP) R/F (GLE Q902E)** HOMOZYGOUS POLLED and RED FACTOR.

His first progeny are Moderate BW excellent calving ease, early maturing and thick bodied, with eye appeal. All polled and we are excited about a number of standout individuals. Buyers' from our Scone Female Sale in October 2021 are eagerly awaiting the QUARTERBACK progeny, with many sale heifers in calf. His first son will be shown at Sydney Royal 2022. **Semen available direct from Glenlea or United Cattle Breeders at Allora QLD.**

Photo at  
30 months

## **GLENLEA LANNISTER Q405 (P) R/F (GLE Q405E)** POLLED and RED FACTOR.

An outcross dark red sire to nearly all our Red Charolais genetics. Powerful carcass, medium framed, early maturing, and bomb proof temperament. Top priced Bull at our 2021 Clermont Sale at \$21,000. His first progeny have a lovely shape, fine hair and are all Apricot colored out of white cows. we are expecting great things from his progeny! **Contact Glenlea for limited semen release.**

# *A Picture of* **Elegance**

“To breed Charolais is good, to breed good Charolais is better, to breed better Charolais is an achievement! It is an endeavour which lasts a lifetime, which tests the resourcefulness, intelligence and judgement of a breeder. It is a labour that never ends, but never tires”

Manuel Elizondo 1922 – 2008

Note: Manuel was very instrumental in Charolais development in North America
